Grande Maumelle Sailing Club

Client Contact

Lisa Parker

Client Email:

parker_el@hotmail.com

Client Phone:

(501) 952-1659

Client Decision Maker (if different from contact)

Stuart Stough

Organization Description/Mission/Purpose:

GMSC is a nonprofit corporation organized to promote sailboat racing. Our program consists of a series of races from May through October for centerboard boats, and from November through April for keelboats. We also promote stewardship of the water quality and safety at Lake Maumelle. We have social gatherings, and offer adult and junior learn to sail programs.

Description of the problem or need:

Our website is built on an old version of JOOMLA and some components no longer work.

Description of deliverable requested: (E.g. website, database)

We would like to see it updated to a newer version of Joomla and have the components validated, or rewrite in another format that would allow content to be updated by less technical volunteers.

List any current implementations of deliverable (URLs, etc.):
