Organization Description/Mission/Purpose:

Friends is a registered 501c3 non-profit incorporated in 1994 and made up of 100% volunteers. Our mission is dedication to the development and stewardship of Hot Springs area parks and trails. A major pursuit for Friends is the addition of pedestrian trails (linear parks) and bicycle routes in the Hot Springs area.

Description of the problem or need:

Our non-profit needs to be more visible. We are no longer included on the City's website and in need of creating our own. It would also be nice to be able to take donations or member dues via an online platform, if possible.
